Request for Application – Responder Notification

A Consumer-Centric

Health Information Exchange for Maryland

PUBLIC NOTIFICATION

This is an announcement for applicants requesting an adjustment to hospital rates to provide funding to implement a statewide health information exchange. Applicants are required to include in their proposal a planned approach to responding to solicitation of proposals from the Office of the National Coordinator for Health Information Technology (ONC) regarding the Health Information Technology Extension Program (regional extension center). Applicants are required to detail their readiness to meet the regional extension center eligibility requirements (as proposed) in the Federal Register/Vol. 74, No 101/Thursday, May 28, 2009/Notices as part of their response to the Request for Application. The recipient of the award will be required to submit a comprehensive application to become a regional extension center at the earliest application date published by ONC.
